Where There's a *Will*
...There's a Way
to Make a Difference

*T*wenty-eight Jewish organizations, with more than 125 volunteers, are on their way towards raising millions of dollars to support local Jewish organizations' endowments. In the upcoming months, they will be encouraging all of us to leave a Jewish legacy for future generations in our wills and estate plans.

When Live On leaders call you, please consider helping the organizations you care about by creating a bequest as a perpetual endowment.

Live On: Build Your Jewish Legacy is a two-year initiative to help 28 Jewish schools, agencies and synagogues and their leaders raise endowment through estate gifts.

Live On is a multi-faceted program that includes seminars, incentive grants, one-on-one consultation and a donor awareness and recognition campaign for the participating organizations.

Live On Goals

- Strengthen Jewish organizations by helping them build permanent endowments through bequests.
- Develop institutions' skills by training staff and volunteer leaders about how to cultivate and secure gifts through bequests.
- Make charitable bequests and other estate gifts an integral part of Jewish philanthropy.
- Help our local Jewish organizations benefit from the largest intergenerational transfer of wealth in the history of the country.
